"To sinful patterns of behavior that never get confronted and changed, abilities and gifts that never get cultivated and deployed – Until weeks become months and months turn into years, and one day you're looking back on a life of deep intimate gut-wrenchingly honest conversations you never had; Great bold prayers you never prayed, exhilarating risks you never took, sacrificial gifts you never offered, lives you never touched, and you're sitting in a recliner with a shriveled soul, and forgotten dreams, and you realize there was a world of desperate need, and a great God calling you to be a part of something bigger than yourself – You see the person you could have become but did not; You never followed your calling. You never got out of the boat."

- John Ortberg
